W. M. A. WINS FROM A CENTRAL COLLEGE TEAM

The Score Was 12 to 0. Both Teams Had Good Defenses.

Wentworth, to fill an open date Friday secured a team from Central College, Fayette, Missouri, composed of Reserves and Ineligibles, and if there had been a few more Ineligibles no telling what would have happened. The team had several o'd ing to watch and was enjoyed by heads, men who knew football and had played their allotted span on the varsity. It took no experienced eye to pick them out. They were everywhere and in every play; besides they were quick to diagnose their opponents plays, in fact too quick, for had the cadets been more experienced they could have crossed them on many occasions. However, team work won, and Wentworth put over two touchdowns, one in the second quarter and one in the fourth.

The game began rather auspiciously for the visitors. After the ball had changed hands a couple of times rather quickly, Central carried the ball to Wentworth's ten-yard line, but that was the end of their offensive. Wentworth's defensive play was entirely too much for them. The visitors made only one or two first downs the rest of the game.

Wentworth, too, was having trouble in advancing the ball. Their offensive was mighty weak. They were slow in lining up, and fumbles were frequent. The first quarter ended 0 to 0. Late in the second quarter the cadets worked the ball to Central's ten-yard line, from which point Todd carried it over. The try at goal failed.

The third quarter was barren of results. The cadets were in striking distance a time or two, but something like a fumble or lack of punch intervened and Central would kick out of danger.

In the fourth quarter Wentworth played some good ball. Taubman and Isopocogee were inserted and the offensive spurted up. Several forward passes were completed and several good gains were made around the ends. In this quarter Taubman made a pretty end run for a touchdown. The game ended with the ball well in Central's territory in Wentworth's possession.

L. H. S. WINS FROM HARRISONVILLE

The Locals Ran Up a 33 to 6 Score. Haerle Starred.

The High School team came to life Friday and displayed a real brand of aggressive football. The result was that Harrisonville High School was swamped 33 to 6, at Athletics park. The game was fast and interesting to watch and was enjoyed by a good crowd.

Lexington showed in the very first quarter that they were out for blood. After getting the kickoff Haerle and Holleron began their rushes through the visitor's line. The Harrisonville team was thrust back into their own territory and L. H. S. pushed over the first score.

Then Harrisonville came right back. They received the kick and began a march down the field which quickly resulted in a touchdown. They seemed to gain through Lexington's line at will and were never checked in their progress towards the goal.

It looked as if it would be a question of who could score the most, for upon receiving the kick L. H. S. started towards the goal and without much difficulty scored again. Haerle continued to make his brilliant zig-zag runs and it was he who carried the ball over.

Then right there the turning point came. Harrisonville got the kick and on two plays rushed the ball to mid-field. The spectators settled back to watch them "take their turn" in scoring. It seemed to be a tit for tat proposition. But in mid-field Lexington suddenly held. The line took a brace and stopped Harrisonville in their tracks. They even broke through and threw the visiting back-field for losses. The ball went over on downs and Lexington soon marched for another touchdown, for Harrisonville could not stop the L. H. S. backs.

And that tells the story of the game. From then on the Lexington line held like a wall. But the L. H. S. back-field was too much for Harrisonville. Off tackle smashes and brilliant end runs ripped off large gains and touchdowns quickly followed. The Lexington team was alert, too, and intercepted two forward passes in the most approved fashion. By the end of the first half the score was 26 to 6 in favor of Lexington.

The last half had only ten minute quarters and L. H. S. added another score.

For Lexington Gus Haerle was the outstanding star. He ran brilliantly and was hard to stop. Holleron also played well as did Wiley. In other words the Lexington eleven played like a team, displaying a fast offensive and Harrisonville could not check them.

The visitors were light but shifty and it is said that two of their best men were out because of injuries.

BOYS BAND SEEMS

PROBABLE

Sixty Boys Attend Meeting To Hear Plans Discussed.

Sixty young boys of the city met Tuesday night at the city hall and were acquainted with the plan to organize a band composed of boys between the ages of eight and seventeen. Major Fred A. Day, noted band leader of Lexington, explained to the youngsters that only those who were in dead earnest and would practice were wanted. He said there was much hard work connected with it and that discipline in the band room was as necessary as discipline in any other class room. He said he must have the backing of the parents before the project could be launched; that the possibilities of continued effort and instruction in band music was far reaching, and any boy who could play an instrument had the advantage of every other who couldn't. "Many boys have 'played' their way through college," he said, "and many a boy has enjoyed trips and outings that was denied to the boys who had no musical education."

Cadet J. W. McFadden of the Academy, member of the Boy Scout Band of Denver, Colorado, told the boys of his band experience, and especially of his trip abroad last summer with the Denver band. My ability to play a cornet," he said, "gave me this trip to Europe without cost to myself." He advised the boys to join and work hard, for the knowledge gained had a money value that could be used to great advantage in securing an education.

Blanks were given the boys to fill out and return to Mr. Cham-

Auto Smash-up On Chinn's Hill

A three-ply auto smash-up occurred Friday night on the Chinn Hill, when each of the three drivers was under the impression that the right of way was his. A Nash car going east attempted to pass a milk wagon going in the same direction and ran head-on into a Ford going west. A Chevrolet following closely behind the Ford could not be stopped and it, too, ran into the mix-up. The cars were pretty badly wrecked. Miss Temple riding with her brother in the Nash car was cut about the face, and Mrs. Tuck in the Chevrolet also suffered injuries about the face. As in most auto accidents, the other fellow was too blame.

Ray County Bond Suit Set For Trial On The 24th.

A speedy trial of the injunction suit brought in the Ray County to prohibit the county court from issuing the bonds approved by the voters on September 8th, seems to be assured. Messrs Wm. Aull, Sr., and H. F. Blackwell were in Richmond Monday, when answer to the petition was filed. The case is set for trial on Tuesday October 24th.

berlain at the Traders Bank before Friday. Major Day will meet the boys again Saturday night and counsel with them and their parents regarding instruments.

Boys, this is a fine opportunity to improve your condition. Don't enter it with the idea that it is merely a forlorn, but join with the determination to learn some instrument. The opportunity is here. Let's go

ATHLETICS WON CHAMPIONSHIP

Sweet Springs Defeated 8 to 2 In Third And Final Game.

The third and final game of Inter-County World Series was played Sunday at Higginsville. The Lexington Athletics and Sweet Springs were contenders for the title, each team had won a game, and each wanted very much to win another. But both couldn't win and the Athletics triumphed.

King, pitching for the Athletics, was in fine fettle. He struck out five, issued no passes, and allowed only four hits. Dillard, for Sweet Springs, was off form. He was wild and ineffective. He gave up twelve hits, issued free transportation to two and winged three batsmen.

Lexington had ten men left on bases and S. S., 3. Harding and Wayne for Lexington, each hit for the circuit.
